2. For air parcels, an invoice, in duplicate, is required for all commercial shipments regardless of value and all personal shipments valued at \$300 or more. The invoices must be affixed to the outside of the parcel or may be enclosed in PS Form 2976-E with the customs declaration.
3. A letter or card fully prepaid and bearing the same address as that of the parcel post package may be tied to or otherwise securely attached to the outside of the parcel post package in such manner as to prevent its separation therefrom and not to interfere with the address of the parcel. Stamps to cover postage on the parcel post package must be affixed to the wrapper of the parcel. Stamps to pay postage on the letter must be affixed to the envelope thereof; or, in case of a post card, to the address side of the card, preferably the upper right-hand portion. Parcels post packages to which such letters or cards are attached are treated as parcel post.
4. For mail security reasons, the Swiss postal administration no longer delivers insured parcels (either air or economy) directly to the addressee's delivery address. Instead, a mail hold notice is sent to the intended recipient, which informs him/her that an insured parcel is available for immediate pickup at the local post office.
